

*Temple Beth Am welcomes Mishkan T'Filah
with a gala celebration during
Chanukah Services on
Friday evening, Dec. 19th
at 7:30 PM*

The publication of Mishkan T'filah continues the Reform Movement's tradition of liturgical innovation.

A single prayer book provides an important vehicle for group identification as well as personal prayer. The Union Prayer Book and its successor Gates of Prayer and now Mishkan T'filah each express the ethos and values of its own era, at the same time being fully rooted in the structure and substance of the historical liturgical tradition of the Jewish people.

We will begin using this prayerbook for all Shabbat services in January of 2009.

You can be part of this special occasion by completing the order form you received in the mail to purchase a copy or multiple copies of the prayer book, in honor or memory of loved one, as your Chanukah gift to Temple Beth Am and perhaps order one for your home as well.

Please complete the attached order form and return by Dec. 15 to be included in the program for the evening.
